

## CS Tuning LTD Disclaimer

### **1. General Disclaimer**

CS Tuning LTD provides professional car tuning and modification services. While we strive for excellence and safety in our work, it's important to understand the following disclaimers before availing our services:

### **2. Vehicle Condition**

We rely on the customer's representation that their vehicle is in good working condition before we commence any tuning or modification work. We do not assume responsibility for pre-existing mechanical or electrical issues that may be exacerbated during the modification process.

### **3. Aftermarket Parts**

We may use aftermarket parts or materials in our tuning services. These parts may have their own warranties and specifications. CS Tuning LTD is not liable for any defects or issues related to these aftermarket parts beyond our control.

### **4. Vehicle Performance**

Tuning and modification may enhance a vehicle's performance, but they can also affect its warranty, fuel efficiency, and longevity. Customers should be aware of the potential trade-offs and are encouraged to discuss their goals and concerns with our team.

### **5. Compliance with Laws**

It is the responsibility of the customer to ensure that any modifications made to their vehicle comply with local, state, and federal laws and regulations. CS Tuning LTD does not assume liability for any legal consequences resulting from non-compliance.

### **6. Road Safety**

Tuned or modified vehicles may handle differently than stock vehicles. Customers are advised to drive with caution and adjust their driving habits accordingly to ensure safety. CS Tuning LTD is not liable for accidents or injuries resulting from customer use of the tuned or modified vehicle.

### **7. Tuning Limitations**

Every vehicle has its limitations. We will make every effort to tune or modify within safe and reasonable parameters, but we reserve the right to refuse any requests that may compromise vehicle safety or reliability.

### **8. Maintenance and Inspections**

Regular maintenance and inspections of the tuned or modified vehicle are essential to ensure its continued performance and safety. Neglecting maintenance may void warranties and compromise vehicle reliability.

### **9. Customer Acknowledgment**

By availing our services, customers acknowledge that they have read and understood this disclaimer and accept the risks associated with car tuning and modification. Customers also affirm their commitment to complying with all relevant laws and regulations.

CS Tuning LTD is dedicated to providing high-quality services, and we are committed to transparency and customer satisfaction. If you have any questions or concerns regarding this disclaimer or our services, please feel free to discuss them with our team before proceeding.
